

**Hygiene station Traditio  
Complete type 23822**

## Compact solution for industry and craft business

### Space-saving personnel hygiene

The compact hygiene station Traditio Complete type 23822 combines the cleaning of soles, sole side edges and contactless hand cleaning in one device. Due to the space-saving design as a wall unit, the Traditio Complete is ideal for placement in passageways and niches.

### Version

- Space-saving design for wall mounting
- Easy operation by embracing the handle
- Safe stand of the operator
- 2-phase cleaning, water/chemicals separate
- Easy cleaning through removable brushes
- Material: stainless steel 1.4301
- Low water and energy consumption
- Sensor-controlled, robust hand cleaning basin with 24V Aquaflow function

### Options

- Stainless steel pedestal
- Soap and disinfection dispenser
- Hand drying units with dispenser and paper basket
- Dry sole cleaning with dirt collecting drawer
- Power supply 230V, 50-60 Hz
